Funeral Home Automated Clearing House Deposit Agreement

I (we) represent that I (we) have purchased a prepaid services and goods contract from the Contract Provider indicated below. As such, I (we) am (are) hereby authorizing my (our) financial institution indicated below to send the funds needed to pay for this prepaid service directly to JPMorgan Chase Bank, N.A. ("Chase") pursuant to the instructions of Abbit Management Corp (Abbit). Abbit will deposit these funds into an account Chase has established for the Contract Provider. I (we) understand that Chase's and Abbit's customer is the Contract Provider I (we) have contracted with, and not me (us). Chase will hold the funds in the Contract Provider's account for no longer than the time provided by state statutes before transferring the funds to the Contract Provider's escrow agent.

The financial institution I (we) have listed below is authorized to debit the amount of my (our) payments, **on the 15th of each month**, from my (our) account with the financial institution. Once instructions are acted upon by Chase, I (we) understand that alterations or revocations by the financial institution cannot be initiated by me (us). This authorization shall continue until terminated by written notification to Chase and Abbit through the aforementioned services and goods Provider. I (we) understand that this service is governed by the rules of the Automated Clearing House (ACH) as amended from time to time and is established solely for the convenience of the Contract Provider. Additionally, certain state or federal statutes may govern this transaction. I (we) also understand that this service may be terminated or modified by Abbit at any time with notice to the Contract Provider.
